Bible tells us a story about Moses and his Life
He was in the wilderness for 40 years
He was a Shepherd. He took care of the sheep

After 40 years -the Lord called him to lead a Nation
Leading a nation was not always an easy job
People are complicated and so is life

Ps. (I think, Moses missed the sheep every week)

I am sure Moses missed the uncomplicated life in the wilderness
The Quiet and Tranquility. The peaceful sunsets and birds singing

Having Sheep for a Companion was easy life.
Dealing with a Nation was a totally different lifestyle.

Life Can Be Complicated

Bible gives a picture of Our God as a Shepherd
Shepherd loves his sheep and calls them by name
He knows each one individually
John 10:14

When God looks for a Leader -HE looks for
People with a Shepherds Heart.
How can Leader lead -without love ?
Without Caring for people ?

Many Leaders in our World do not care
for people -they care for money and power

We Must Ask God to Give Us a Shepherd's Heart

Sometimes people lie and deceive others
but we must pray they return to the
Love of Jesus and walk close to His Heart

Moses in the Bible was a Shepherd
David in the Bible was a Shepherd
They were not perfect but they
Loved God. They had a heart of a Shepherd

Sometimes people understood Moses's Heart
and other times not. He was not always Popular
He kept following the Lord regardless

People are complicated and that is
why we must have a Shepherds Heart

We must always Remember God's Love

Moses in the Wilderness would talk to His Sheep
He would sing to the Lord and the Sheep knew his Voice well.
They felt Comforted by His Voice

Moses would sing to the Lord ,the Sheep
heard his Voice daily. They heard his talk

Sometimes people are so broken by life
They don't hear the Voice of the Shepherd

They don't hear a word we say
They just Cry -Then it is best we sing
Let them hear the Songs of Heaven

When people are in Crises, feeling Anxious, or being in Panic
Then it is time to Wait on the Lord

**WE WAIT ON THE LORD AND
AGAIN I SAY....WAIT ON THE LORD**

We all wait for something
Often, we have times when we don't know what to do
God says...Wait.

We do not like that.
We really don't. But we must learn to wait

Disciples of Jesus waited for something,
they did not understand God Plans.
They felt the Words of Jesus were hard words.
Jesus said: Will you leave me, also ?

Jesus did not offer easy Gospel. We have a choice
to walk in our own ways - or follow
the Gentle Shepherd
Who calls us closer to His Heart

**GOD HAS A TIME -A RIGHT TIME
WE MUST NOT RUN - WE WAIT FOR HIS TIME**
